

# GARRETT-KEYSER-BUTLER BUILDING TRADES ADVISORY COMMITTEE

## SCHOLARSHIP MISSION STATEMENT

The Garrett-Keyser-Butler Building Trades Advisory Committee seeks to promote the home building industry by offering education opportunities in the form of a scholarship to any young person pursuing a career in the residential construction industry. This scholarship would apply to any post high school course of studies including trades schools, associate or bachelor degree programs. Our goal is to interest young people of the local community in the possibilities of a career in our industry.

What led you to choose your particular career objective?

Will you work while going to school?

Will you live at home?

What has influenced you most in making a decision to seek higher education?

What do you plan to do with your education? Write a short essay on your academic choice stating why you are choosing this field and your background in this area. Also expound on your career goals and expectations.

State any family or personal circumstances you feel important to the consideration of your application.
