Layton A. Casselman Scholarship

This scholarship is for any GHS senior choosing a hands-on career path.

Layton was a 2015 graduate of Garrett High School. He attended Ivy Tech Community College majoring in Turf Management. He was diligently building his lawncare/landscape business. He possessed a work ethic beyond his years; willing to help at the drop of a hat. Layton lived his life to the fullest doing what he loved with who he loved. He enjoyed being outdoors – hunting and fishing, working with his hands constructing numerous projects with his friends and family. There was not much he couldn't figure out how to do; even if it required a bit of research.

Layton's earthly life ended tragically on December 13, 2019; while cutting down a tree. His presence has left a hole in the hearts of all who knew and loved him.

To honor him, this scholarship will be awarded to an individual or individuals whose path is leading them toward a career in the trade industry. Some examples include but are not limited to; electrician, HVAC, cosmetology, lawn & landscape, agriculture, and apprenticeship programs etc.

Required forms include:

- GHS Scholarship Application Form
- Cover letter (business format) telling us about yourself, your plans following graduation, and why you should be selected for this scholarship

Final allocation of the Layton A. Casselman Scholarship will be determined by the Casselman Family.
